INTRODUCTION TO THE

MUNICIPAL PUBLIC ACCOUNTS

Preparation of the Municipal Public Accounts is provided for by Section 156.1 of *The Cities Act* and by The Cities Regulations.

Contractual expenditures for goods and services report both Operating and Capital Expenditures. In reporting contractual expenditures we have excluded certain expenditures that are not actual Operating or Capital costs:

Eg. - Investment contracts

- Debt Payments
- Tax and Water refunds or rebates
- Employee payroll deductions
- Land refunds

No attempt has been made to eliminate expenditures that are not chargeable to 2022 operations:

Eg. - Prepaid expenses

- Inventory
- Equipment
- Prior year's accrued liabilities

The Municipal Public Accounts as provided for by Section 156.1 of *The Cities Act*, now follow.
