PROGRAMS INTEREST																			
														What is going well?					
More accessible fitness/swimming program														More ramps/curb cuts happening (sidewalks, shops, etc.)					
Social events/groups for the disabled & for their families														Yara is generally accessible					
Support group(s)														Paratransit					
Awareness Training for employers/ the public														Surveys like these/openness of community to help					
Awareness programs for disabled for day-to-day subjects & how to use transit														The mall/ library are fairly accessible					
Art Events/programs that are sensory friendly														People's attitudes/ awareness of those who are disable					
Sensory friendly shopping times														The Mentor Program					
Sensory friendly swim/skate times														Access to low-income housing/ Riverside Mission					
Create more employment/ volunteer opportunities for disabled																			
Dedicated school transit (sensory friendly/ less crowded)																			
Facilities accessibility conversion plan
