Good Morning Craig,

The Visit Moose Jaw Board had the opportunity to discuss the potential change to the Traffic Bylaw for event parking permits at our meeting yesterday. They agreed that it would be a good idea, but it would need to be promoted and publicized clearly. Those in the Tourism and event industry need to know the exact details on these permits, including where to send them to obtain them and the regulations behind them. In regards to the price increase, the board seen no issue in the change.

Let me know if there is anything else you need!
