Good day Mr. Mayor, City Councillors, Fire Chief, and Public Works,

Please find the attached letter and petition requesting further consideration, discussion, and an alternative to the pending decision to enforce one-sided parking on our street (1000 Block 2nd Ave. N. W.). This decision, if enacted, will cause considerable and unnecessary hardship for all of the residents on our street. Please see the attached letter for an alternative option/solution which we believe will better serve the residents and still allow all emergency and over-sized vehicles ease of access.

Regarding this matter, there are a number of residents in our neighbourhood that would very much appreciate an invitation to address Council at your earliest convenience. Thank you so much for your consideration, and I look forward to your response.

Respectfully, on behalf of the petitioners,

Rosemarie Zaba Stewart
